tist church. She was a woman with

Are You Feeling Fit?

Do you envy the man or woman of
untiring energy, strong body and hap-
py disposition? All these depend upon
good health, and good health is impos-
sible when the kidneys are weak, over-
worked or diseased. Foley Kidney Pills
act promptly and help the kidneys fil-
ter the blood and cast out the poison-
ous waste products that cause sore
and swollen muscles and joints, back-
ache, rheumatism, and the symptoms
that give warning of dangerous kidney

WHITE MEN ARRESTED FOR OPERATING STILL

PLACED IN IVA GUARD
HOUSE EARLY YESTER-
DAY MORNING

BOTH MEN WANTED

United States Officials Declared
Yesterday That They Had
Bench Warrants for Both.

Bud Evans and William Gunter, two
white men, were lodged in the Iva
guard house shortly before one o'clock
yesterday morning by Deputy Sheriff
Ira Wiles, they being charged with
operating an illicit distillery. Mr.
Wiles was assisted in the arrests by
Policeman Gus McGill of Iva. Later
Charles J. Lyon, United States De-
puty Marshall, and Roumaine Q. Mer-
rick, United States revenue collector,
both of Greenville, went to Iva and
brought the men to Anderson where
they were lodged in the county jail.

The still was found to the west of
Barco, about 500 hundred yards from
the Anderson county line. It had been
suspected for some time that there
was a still somewhere in that section
of the county, but up until yesterday
the officers had been unsuccessful in
trying to locate it.

A complete still outfit, having a
capacity of 50 or 60 gallons, was
found, together with 500 or 600 gal-
lons of beer, which was destroyed.

Had Warrants For Both.

While in the city yesterday after-
noon Mr. Merrick stated that he had
bench warrants for both of the men
who were captured at Iva. One of
them was out on bond for his appear-
ance at court in answer to the charge
of distilling liquor and the other had
never been arrested, although he had
been wanted for more than a year.

Bud Evans was the man who was
out on bond and he is the same one
who fired at Sheriff Ashley when the
latter was in the lower part of the
county raiding stills recently.

Mr. Merrick stated that Grater had
been searched for everywhere and
that a warrant for his arrest had been
sent over to Georgia. Recently he
had been going under the name of Bill
Thompson.

This makes two stills that have been
destroyed in the lower part of the
county within the past two weeks and
the people in that section hope that
it will put a stop to the booze that
has been so plentiful.

If Back Hurts Use Salts For Kidneys

Eat Less Meat if Kidneys Feel
Like Lead or Bladder
Bothers.

Most folks forget that the kidneys
like the bowels get sluggish and clog-
ged and need a flushing occasionally,
else we have backache and dull mis-
ery in the kidney region, severe head-
aches, rheumatic twinges, torpid liver,
acid stomach, sleeplessness and all
sorts of bladder disorders.

You simply must keep your kid-
neys active and clean, and the most
valuable you feel an ache or pain in the
kidney region, get about four ounces
of Jad Salts from any good drug store
now, take a tablespoonful in a glass
of water before breakfast for a few
days and your kidneys will then act
fine. This famous salts is made from
the acid of grapes and lemon juice,
combined with lithia, and is harmless
to flush clogged kidneys and stimulate
them to normal activity. It also neu-
tralizes the acids in the urine so it no
longer irritates, thus ending bladder
disorders.

Jad Salts is harmless, inexpensive;
makes a delightful effervescent lithia-
water drink which everybody should
take now and then to keep their kid-
neys clean thus avoiding serious com-
plications.

A well-known local druggist says
he sells lots of Jad Salts to folks who
believe in overcoming kidney trouble
while it is only trouble.

SOUVENIR SPOONS GOING RAPIDLY

A "Beauty From Delaware" is
now Attracting the "Spoon
Faddists."

The Souvenir Spoons are still going
as rapidly as before. In fact, it ap-
pears as if new Spoon Faddists had
been added to the ranks of the Sou-
venir Spoon savers since last week.

The Georgia Spoon hasn't yet put in
its appearance, but a beauty from Dela-
ware has arrived upon the scene and
with her beauty of design and grace of
manner, she has charmed all with
whom she has come in contact with.

The Georgia spoon will certainly be
here next week, and if you have not
yet seen the Delaware spoon drop in
and take a look at it, you will be
very agreeably surprised.

Very seldom a day passes but
what some one says: "Well, I have
decided to get a spoon of each state
just as you put them on. I am going
to get the complete set; I think
that there is nothing that would be
nicer in the way of souvenir spoons."
They are absolutely correct. These
spoons are beautiful in design, and
their quality is of the very best. No
one need feel ashamed to give a pres-
ent of these spoons to any person.
They are A-1 in every way.

HORSE KNOCKED DOWN

And Mr. Clarence Osborne Was
Thrown to the Street.

While riding down South Main
street yesterday afternoon a horse rid-
den by Mr. Clarence Osborne, stepped
in a pool of water which was charged
with electricity and as the result the
horse was knocked down.

Both of the horse's front feet came
in connection with the water and he
was thrown suddenly to the ground.
Mr. Osborne was thrown but was not
injured. It was not learned last night
what caused the water to be charged.

The "PEERLESS" Auto-Washer Brush

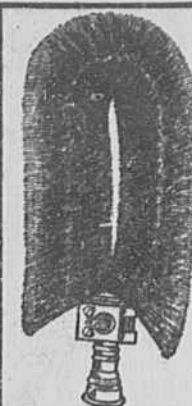

For use on Automobiles, Motor Trucks,
Vehicles and Windows.

Makes washing Automobiles as simple
and easy as washing your face.

The PEERLESS AUTO WASHER BRUSH
has so many advantages that they hardly
need be stated since they are so self-evident. A
spray of water from an ordinary hose through
a nozzle, and through the AUTO WASHER
BRUSH, cleans not only the body, but the
wheels, hubs, running gears, wheels, spokes,
etc., with remarkable ease.

The water is so confined that a man can
wash his car in his Sunday clothes.

The finest bodies can be washed without the
slightest fear of scratching, for this brush is
made of fine selected mule hair, which is as
soft as your own hair when wet. It can be
attached immediately to the ordinary hose or
disengaged as quickly. The water is turned
on or off and regulated at the nozzle. A stiff bristle grease brush, for
cleaning the engine, springs, etc., is included with the outfit, FREE.
Every public and private garage is in need of this simple device.

\$3.50
Including
Grease Brush

Simply Constructed and Indestructible

A striking feature of the "PEERLESS" is its simplicity. Having
only three parts, the Brush Spray Nozzle, the Clamp and Flexible In-
terchangeable Brush Coil, there are no complicated parts to become
out of order.

The Brush Spray Nozzle and Clamp are made of solid brass and can
not rust. These parts are guaranteed for five years.

Just Lift the Receiver off the Hook

THE Bell telephone is so simple that a child or servant
or blind person can operate it as well as you can.
Just lift the receiver off the hook and a trained operator re-
sponds instantly, prepared to render efficient service such as
only human intelligence can produce.

In the dead of night you can use the Bell telephone, and
even if a light is not convenient you have the assurance that
the operator will respond when you lift the receiver from
the hook.

Recently burglars who entered a Jacksonville, Fla., store
accidentally knocked the Bell telephone receiver from the
hook and the intelligent operator, failing to get a response,
called the police and notified the owner of the store.

Such human service as this makes the Bell telephone an
indispensable business asset and an invaluable protection
for the home.
